

VOLUNTEERS NEEDED:

“OLDER ADULTS AT HOME DURING THE COVID19 PANDEMIC” RESEARCH STUDY

Topic:

The purpose of this survey is to help the researchers at the University of Colorado Colorado Springs to better understand more about the impact of the COVID19 pandemic on older adults following stay at home and social distancing guidelines in El Paso County.

The study will include an anonymous and confidential survey online or by phone. To access the online survey, please use this link.

To take the survey by phone, call Judy Scott at 719-255-4481 [STAYINGHOME](#)

Please share your experience with stay at home and social distancing during this time. You can help if you are over 60 years of age!

The survey can be conducted by phone as well as by survey online

Your input is needed to guide El Paso County services now and in the future
